

The cost breakdown for the facility is as follow:

We would like to use the rink for the 4 days of the event

From 5:30am till 9:30pm on July 5th, 6th and 8th And from 5:30am till 2 pm on July 9th (4 day rate {\$375.00} = \$1,500.00 Plus tax

And we would set up the start and finish on the grassy area with access to power (for the arch and speaker)

Do you need the budget of the full event?

I attached our sponsorship package and would be happy to consider an in-kind donation as a bronze sponsorship

I am processing the request to bring forward to our May 13th Council meeting, so if you could provide me with those documents prior to April 23rd, as that is my deadline to have the requests in.

Thanks so much, and please reach out if you have any questions.

Regards,

Lissa
