On January 17th, 2026, unit A289 suffered a catastrophic loss due to fire. After returning from Grande Cache, unit A289 was parked in the west parking lot of the Grovedale PSB, employees removed their contents from the vehicle, locked the unit and plugged the block heater/trickle charger in. Employees entered the building and proceeded to the offices on the second floor, minutes later employees noticed smoke in the parking lot, walked to the window to observe that unit A289 was on fire. An employee notified the manager in the building and safety personnel. 911 was called by the advisor and staff were instructed to stay clear of the area.
